

The Zig-zag track is a balancing track set at a height of 540 mm, consisting of 12 beams. It can fit several children at a time. Traversing the track develops the children's sense of balance and motor skills. The shape of the track fuels the kids' imaginations, turning it into a wide variety of things: horse pens, garages, rows of houses... Older kids may want to use the track just for hanging out.

User age	3+
Number of users	12
Product length, mm	4100
Product width, mm	2500
Product height, mm	610
Impact area, m <sup>2</sup>	37
Falling space, m <sup>2</sup>	37
Height required, mm	2190
Max. free fall height, mm	460
Safety info	EN 1176-1 TÜV
Installation time (for 1), H	2
Foundation options	Deep mounting
